

Sprite® Shower Filters

Chlorine, Dirt & Odour Free Showers

Shower Chlorine Free
Using Patented Chlorgon® Media

Softer Hair & Smoother Skin
Fight Brittle Hair, Dry Skin & Dandruff

Universal Compatibility
Attaches to Your Existing Shower Arm

At The Water Shop, we are the proud Australian distributor for Sprite® Showers – the innovators of the world's finest shower filters.

Chlorine is universally used to chemically disinfect water and is added to our water to destroy germs, bacteria and living organisms. You are also a living organism! Your body is negatively affected by chlorine internally and externally. So begin enjoying chlorine, dirt and odour free showers NOW!

Shower Pure Filter Head

Thoughtful design meets the power of filtration in this all-in-one shower head.

*Dependent on water quality and usage.

Sprite® Shower Filters

High Output™ Shower Filter

NSF certified performance available in high strength metal or white composite housing. A footprint of approximately 7.6cm achieves maximum point of use filtration.

- Reversible filter cartridge
- Ultra-high strength housing
- Showerhead optional
- Cartridge life rating: 1 year*

Chrome Slim-Line™ Shower Filter

This stylish chrome shower filter guarantees years of trouble-free performance.

- Jeweled metal finish for upscale baths & showers
- Low Profile Design - extension of less than 7.6cm
- Showerhead optional
- Cartridge life rating: 6 months*

Hose Filter

The Sprite Hose Filter simply attaches to your existing shower arm. The swivel ball attachment allows the filter to adjust to a convenient angle.

- Attaches to most standard shower handles
- Attach your own shower handle, hose and bracket
- Reversible filter cartridge
- Cartridge life rating: 3 months*

Bath Ball Filter

The filter simply attaches via the provided harness to existing bath fixtures, conditioning the water for luxurious bathing.

- The bath ball is made of ABS Food Grade plastic
- Detachable harness connects to most fixtures
- Replaceable filter cartridge
- Cartridge life rating: average of 30 baths*

*Dependent on water quality and usage.
